Building Bridges – Latino Ministry

QUESTIONS (Word counts are guidelines):

How did you discern this project was the best one for your congregation or organization to pursue? In your narrative, be sure to indicate why you should be the recipient of a pre-packaged grant. In other words, why is your congregation/organization particularly well-suited to be successful and form new communities of faith through this project idea?

Indicate which V2A goal(s) your project addresses, and how. (100-150 words)

Sharing Christ: Focusing on creating community

Vital Congregations: Developing congregations and organizations as innovation centers

Making Disciples: Re-focusing congregational practices on discipleship and lifelong learning rather than membership

Doing Justice: Identifying community organizations for partnerships

Intentional Diversity: Growing churches and organizations that are active in their communities

Briefly describe how you chose the project. What was your discernment process? How did you determine this project was the best one for your congregation or organization to pursue? (100 words)

If this is a group application, please list all congregations/organizations collaborating in the project. How did you decide to work together? (100 words)

Tell us about your communication plan. How will you develop congregational and community buy-in, and what avenues will you use to invite the larger community? (100 words)

Describe the impact you hope to have. How will you identify it? Along with any numerical goals, please describe at least one qualitative sign of impact or success. (100 words)

Name challenges or obstacles you can foresee/imagine. How might you address them? (100 words)

What if you are not awarded a V2A grant...will you still pursue the project? Why, or why not? What would you change about the project—either leave out, or achieve in another way? (100 words)

Please list the roles of those involved in the leadership of this project. Beyond the leadership team, how many in your congregation or organization are involved?

Are you engaging any community partners in your project? If so, please identify them and describe their role and how you will work together. (100 words)

What is your congregation or organization's investment in this project? Bear in mind this can involve time, talent, and/or treasure. (100 words)

How will you sustain the project beyond the life of the grant? Consider both financial and non-financial resources needed. (100 words)
