Group Covenant

We understand that participating in this project means a commitment of time, effort, and resources. The group depends upon each congregation to fulfill its role in the project's development and execution. On behalf of our respective Congregation Councils, we prayerfully covenant to working in collaboration with the congregations listed below to bring this project to completion.

We certify that we have followed the process outlined on the V2A website and have completed all steps in the road map. We understand the V2A guidelines and requirements and will follow them.

Please initial to indicate that each of the congregations/organizations listed below have completed the following requirements:

_____ Our congregation/organization attended the V2A Introductory Workshop on _____.

For Congregations:
